New Delhi, 24 July, 2026: Maruti Suzuki India Limited (Maruti Suzuki) announces the launch of the New Brezza Turbo Boosterjet, delivering exciting driving performance for young India. Created for today's multi-faceted customers, the New Brezza has been designed to appeal to their different personas in every walk of life. The New Brezza Turbo Boosterjet has been conceptualised with the idea of 'Spontaneous Play', engineered to deliver excitement for young trendsetters who seek playfulness and boldness in every walk of life. The New Brezza Turbo Boosterjet is available with introductory prices starting at INR 7 39 900.

The New Brezza is also available with the Proven & Refined K15C Dual Jet Dual VVT engine with Progressive Smart Hybrid Technology. Catering to a strong legacy of over 1.4 million customers, New Brezza K15C features a new 6-speed manual transmission, alongside a 6-speed automatic transmission with steering-mounted paddle shifters. The New Brezza K15C commands supremacy in its segment and finds favour amongst ambitious professional achievers with its positioning of 'Strategic Play', in sync with customers whose choices revolve around their goals and aspirations.

Commenting on the introduction of the New Brezza, **Mr. Partho Banerjee, Senior Executive Officer, Marketing & Sales, Maruti Suzuki India Limited,** said, "*The New Brezza, is an SUV that truly resonates with the aspirations of young India. With the New Brezza Turbo Boosterjet we add a new dimension of driving excitement that matches the energy and vibe of Young India. The New Brezza has been curated to find favour with diverse customer preferences as it switches effortlessly to appeal to the different moods and occasions of customers. It is an SUV that appeals to every side of a customer's personality, be it at work or play, appealing to various aspects of their lifestyles and enabling them to 'Lead Every Play'. This is the true hallmark of a great product, one that adapts to customers. I am confident the New Brezza will continue to build on the brand's legacy as India's favourite compact SUV.*"

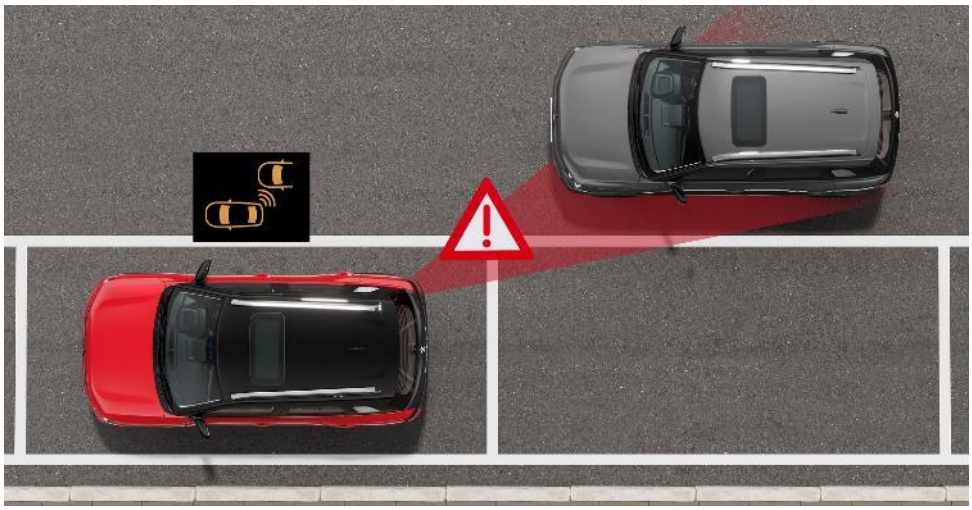
Power-Packed Performance – Engineered to deliver youthful, energetic performance, the New Brezza Turbo Boosterjet is designed to excite customers and turn every drive into a power-packed performance. With a maximum power output of **81 kW @ 5500 rpm** and **170 Nm of torque @ 2000–3500 rpm**, the New Brezza Turbo Boosterjet delivers powerful performance with excellent **fuel-efficiency of 20.47 km/l^**. Complementing the powerful performance of the New Brezza Turbo Boosterjet is an **all-new 6-speed manual transmission** for enhancing driver engagement and control.

Developed to appeal to a wide demographic of customers, the New Brezza is available with a range of powertrain offerings to suit varied customer preferences and tastes. The Proven & Refined K15C engine with Dual Jet Dual VVT & Progressive Smart Hybrid technology offers enhanced drivability and lower NVH with the introduction of a new 6-speed manual transmission. The new 6-speed transmission enables smoother urban and highway driving experience. Catering to a strong legacy of over 1.4 million customers, the New Brezza K15C is also available with the choice of a 6-speed automatic transmission with steering-mounted paddle shifters. The New Brezza K15C with 6-speed transmission options offers effortless performance with lower NVH levels and a **fuel-efficiency of 21.09 km/l^.**

The New Brezza is also available with S-CNG technology featuring a **new underbody fuel tank configuration offering uncompromised boot space,** enhancing everyday usability for customers. The New Brezza S-CNG also introduces **Idle Start-Stop technology** along with the new 6-speed manual transmission to deliver superior fuel-efficiency of **26.9 km/kg^**.

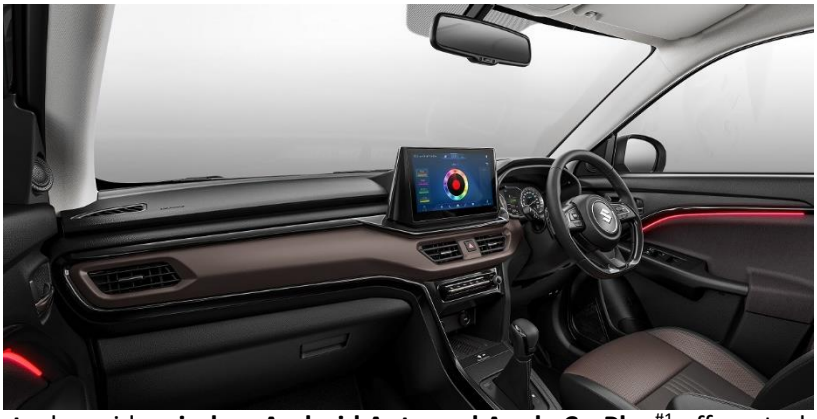
Youthful & Impressive Design – The New Brezza introduces a fresh new appeal to its unmistakably Proud SUV stance with striking new design cues which build on the SUV's signature design, to give it a bold new expressive presence. Making a bold statement at first glance is the New Brezza's front fascia with a **new Smoke Chrome Grille design** complemented by a **Metallic Grey Bull Bar design and Skid Plate design**, lending a contemporary upscale appeal. In sync with the new design cues the new Brezza gets refreshed **Dual-Tone Side Cladding** that lends to its bold new appeal. The New Brezza also introduces **dynamically styled new Precision-Cut Alloy Wheels with a Sharper Geometric Design** that lend an energetic appeal to the youthful SUV design.

The commanding SUV stance of the New Brezza builds on the SUV's authentic design DNA, ensuring an unmistakable road presence. Introducing an exclusive appeal for the New Brezza Turbo Boosterjet is the **new "Turbo Boosterjet" branding** that calls out the sporty appeal for the spirited new SUV.



Advanced Safety – The New Brezza has been built for 5 Star Bharat NCAP safety rating~ and introduces a range of new intuitive safety features that enhance customer experiences in a thoughtful and convenient manner, ensuring peace-of-mind in everyday driving conditions. New Active Safety features including **Blind Spot Warning with Lane Change Alert, Rear Cross Traffic Alert, Tyre Pressure Monitoring System (TPMS), Emergency Stop Signal and Exit Support Warning** work together to improve driver awareness and safety in real-world driving conditions.

The New Brezza's enhanced **360 View Camera system features 3 new views** offers a clearer and more confident view of the vehicle's surroundings. This is complemented by **Front and Rear Parking Sensors** that make day-to-day parking manoeuvres a breeze in the New Brezza.



Feature-Packed Experience – Enhancing the premium appeal of the New Brezza is next-gen technology to offer a new-age experience for its young, tech-savvy customers. The new **SmartPlay Pro X with 25.65 cm (10.1") touchscreen infotainment system, built-in internet connectivity, 35+ apps, OTA updates, built-in Alexa voice assistant**, alongside **wireless Android Auto and Apple CarPlay**[#1] offer a truly contemporary ownership experience. Enhancing the experience are **new Premium Speakers** and **signature Surround Sense powered by Arkamys** and a **new 64-colour customisable ambient lighting system** that enables customers to create a personalised ambiance to suit every mood.

The New Brezza also pampers occupants with a **new dual-tone dark brown and black interior theme** featuring Metallic Soft Touch paint finish with Gloss Black Accents and **new plush leatherette seats**. Further increasing in-cabin comfort for customers of the new Brezza are **Ventilated Front Seats**, PM2.5 filter with **Autopurify & AQI display** and **Wireless Smartphone Charger with Active Cooling** that make every drive more convenient.

Colours of the New Brezza

- The New Brezza introduces two new colours - **Vivacious Orange** and **Lustrous Beige**, alongside a wide range of colour choices including **Pearl Bluish Black, Magma Gray, Sizzling Red, Splendid Silver** and **Pearl Arctic White**. The New Brezza is also available with Dual-tone colour options include **Lustrous Beige with Bluish Black Roof, Arctic White with Bluish Black Roof** and **Sizzling Red with Bluish Black Roof**.
