

MAKING
**MOBILITY
INCLUSIVE**
FOR EVERYONE

INTRODUCING THE
WAGONR
SWIVEL SEAT

**INDEPENDENCE AND
JOY OF MOBILITY**

For persons with disabilities
and senior citizens

The **WagonR Swivel Seat** enables individuals with limited mobility to easily enter and exit the front passenger seat. Its innovative mechanism allows controlled outward rotation and a smooth transfer, reducing effort for both users and caregivers. This thoughtful feature enhances comfort, independence, and overall mobility, helping reduce physical strain and social isolation for users.

COMFORT

Effortless entry and exit for passengers with limited mobility

FREEDOM

Aimed at providing ease of movement and restoring independence

ACCESSIBILITY

Smooth and secure transfer from wheelchair to car seat

Easy ingress and egress

No modification required to OEM seat mountings

Easy transfer from wheelchair to front passenger car seat
